

MAP COMMUNITY ANNUAL REPORT 2019

DEMONSTRATING IMPACT WORKSHOP

Tracey, Leanne and Jason attended the NHS Wales Library Service Partnership Conference 2019 to share our 5 steps to demonstrating impact.

MAP TOOLKIT

We updated the library documents and best practice section, transferred the toolkit to a new platform, and added 21 new drivers, blog posts and case studies to support our community.

SHOWING THE IMPACT OF OUR WORK

We conducted a survey to see how impact workshop attendees applied what they learnt to their practice, and we wrote a case study which you can read at:

By writing up and demonstrating the impact of library outreach activities which we have linked our work to accessing new audiences which the organisation want to engage with as part of the future strategy.

PRIORITIES FOR 2020

- Recruit new members
- Create opportunities to promote and market our resources
- Link to the public library agenda

“MAP” is a group of library professionals who created a community of practice (CoP) and a toolkit to enable libraries in the NHS in England to demonstrate the value and impact of library services on their host organizations.
